

Oak leaves, for bravery

**I saw it written on a toilet wall
Oak leaves help you see
It will cure all if you drink it as tea
with my arthritis of the knee
Weak bladder and need to pee frequently
My sight as bad as can be
After a trial of a wek or two
Oak leave tea .. Not for me
My breath can kill snakes with a roar and
Strip paint from an convent door
I saw it written on a toilet wall
Now it does not matter at all
My sight has gone
it does not matter at all**
